

December 30, 2021

Dear Tennessee Feed and Grain Association member,

We have been busy working on the 2022 Tennessee Feed and Grain Association Convention and are pleased to announce that we will be meeting **January 20-21, 2022** at the Cool Springs Marriott, Franklin, TN. I realize this might be last minute notice because January is around the corner! Our schedule of events will be similar to past years with plenty of opportunity for all of us to exchange ideas and information, as well as socialize and enjoy a little Nashville dining! We are excited to finally come together after having to cancel last year's annual convention due to COVID. I truly hope that all our members will support the Association not only by attending the convention, but also by considering a sponsorship donation this year. Mark your calendar now, and please plan to attend. And, please consider making a contribution to the 2022 convention. As a result, your company will receive recognition in the Convention Program as well as signage at Convention events.

Organizations that TFGA provides sponsorship to –

- TN FFA Foundation
- Farm Animal Care Coalition of TN
- IFEEEDER
- TN 4-H Foundation
- Shooting Hunger
- Training for TN Dept of Agriculture
